\* Old Application screenshot can be found in next slide

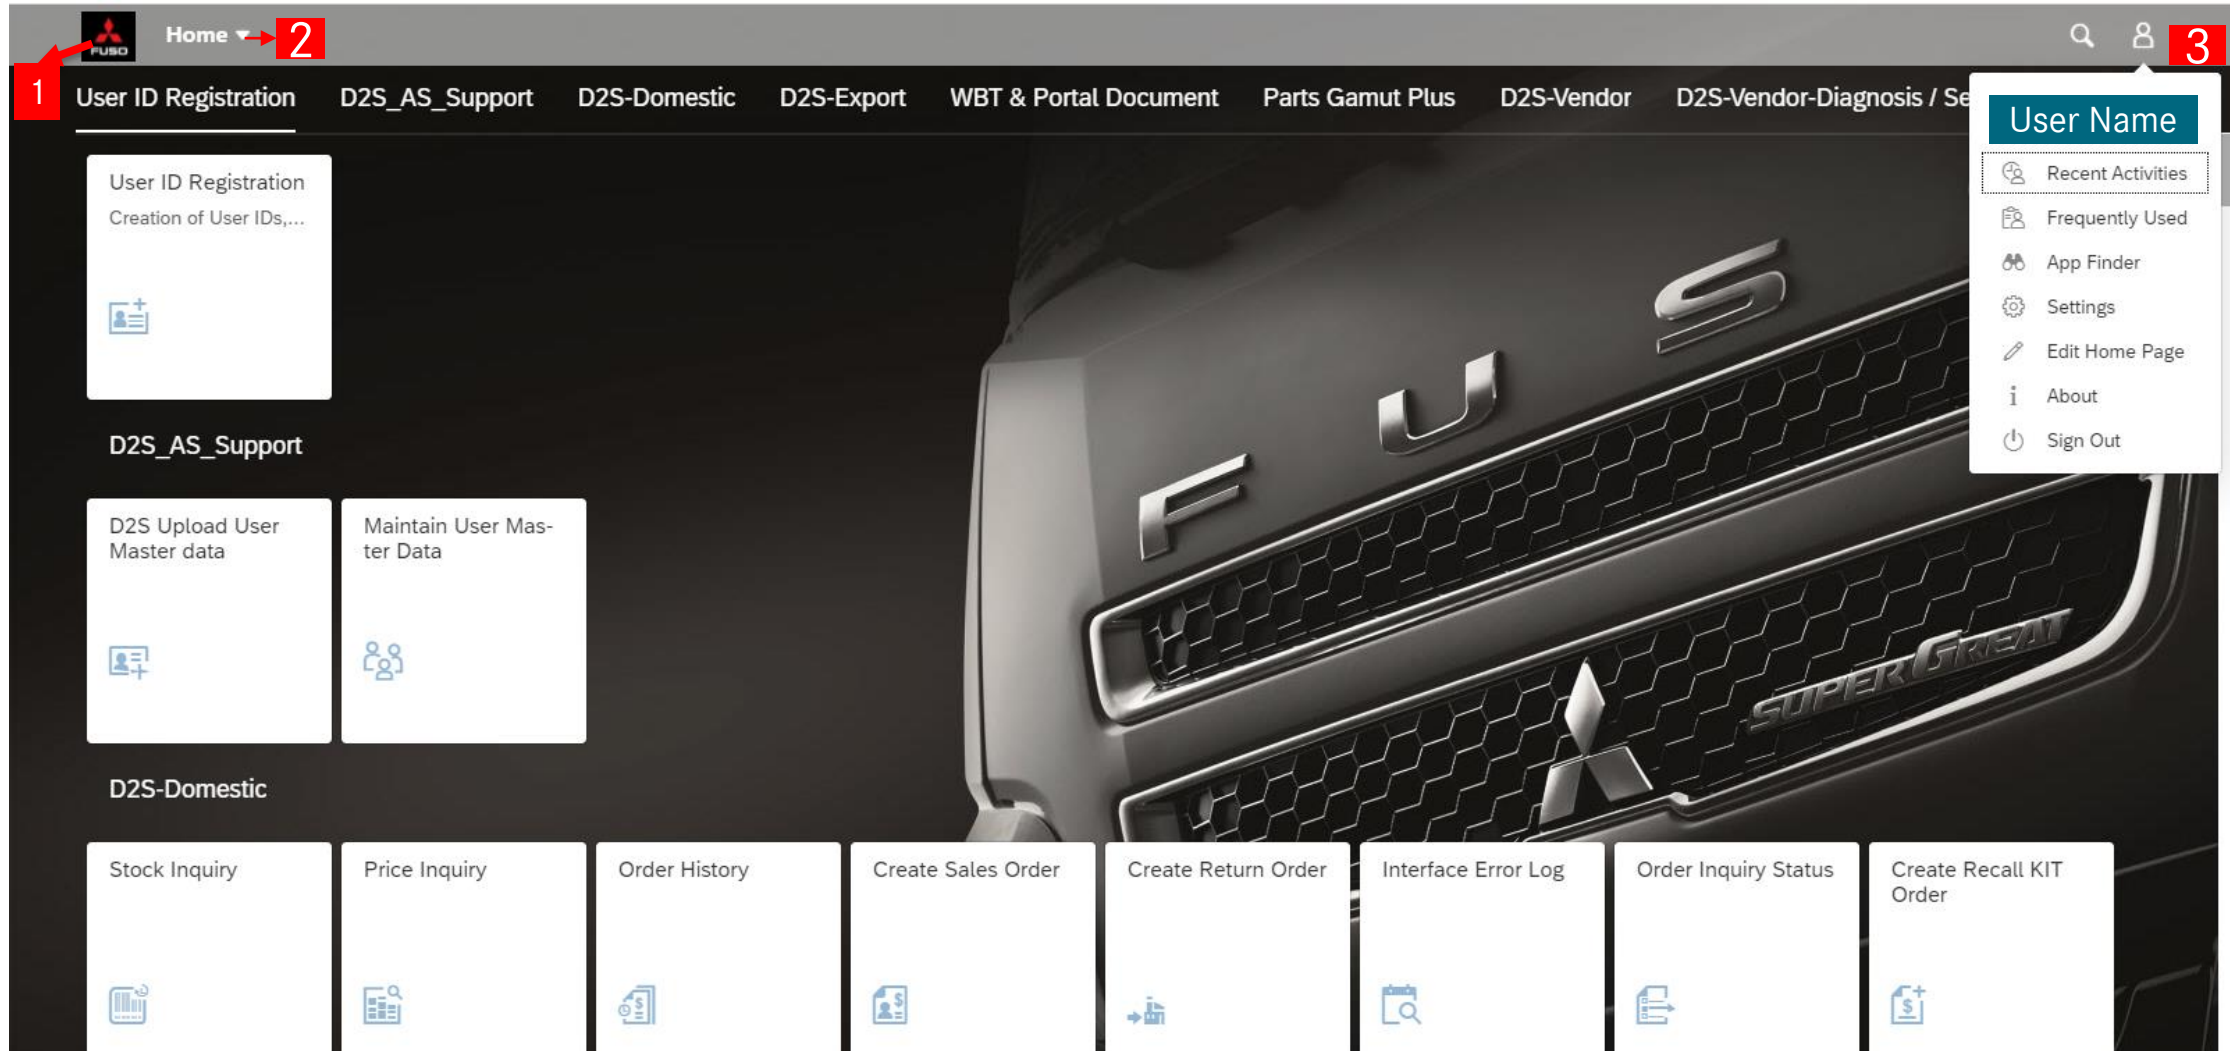

# Old Logon Page ( For Reference )

# LAUNCHPAD CHANGES

1. Fuso Logo is changed
2. Home icon is replaced with text 'Home'
3. User name is removed and name will be displayed on click of 'User' icon

\* Old Application screenshot can be found in slide 9

#### 4. On click of 'Home' button, all groups will be listed and can navigate to applications using this feature

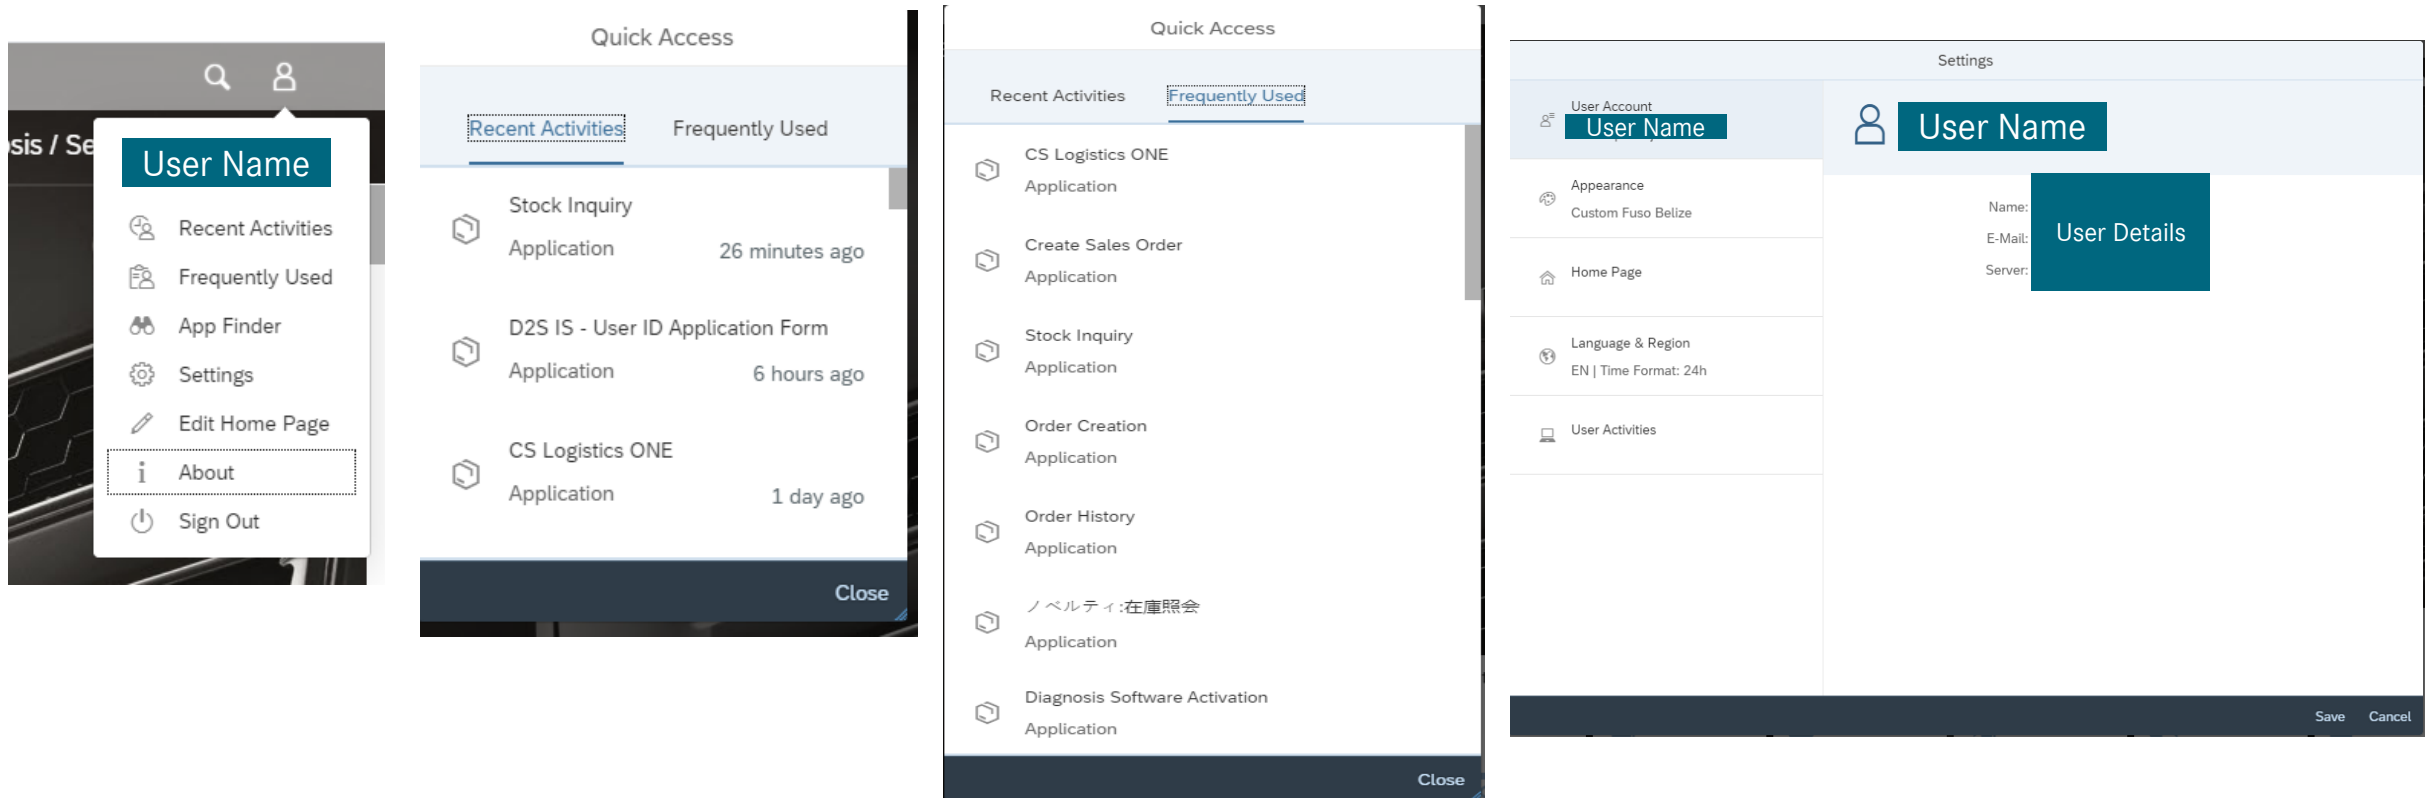

\* This is new feature after upgrade

The screenshot displays the FUSO D2S-Portal interface. At the top left is the FUSO logo. A 'Home' button with a dropdown arrow is visible. The dropdown menu is open, showing a list of 'Home Page Apps' on the left and a grid of 'All My Apps' on the right. The 'All My Apps' section is divided into two columns. The background of the portal features a close-up image of a truck's grille and a door handle. The text 'Parts Gamut Plus' and 'D2S-Vendor' is visible in the top right corner of the portal area. The text 'D2S-Domestic' is visible at the bottom left of the portal area.

# IN APP CHANGES

1. Fuso logo will act as 'Home' button.
2. Color of button is changed and background color of application is changed
3. Slight change happened in button icon

**Note: Functionality inside the application remains same**

The screenshot shows the 'Create Sales Order' interface. At the top left, there is a navigation bar with a back arrow, the FUSO logo, and a red box with the number '1' next to the text 'ate Sales Order'. The main title is 'Create Sales Order'. Below this is a 'Simulate' button. The form is titled 'Simulate/Create Sale Order' and contains the following fields:

- \*Order Type: ZFSO - Standard Order
- \*Order Reason: ZD2 - FUSO Domestic - Daily Order
- \*Sold To Party: 0000005758 (Atsugi Parts Center)
- \*Ship To Party: 0000005758 (Atsugi Parts Center)
- \*Sale Organization: JP01 - FUSO Sales Org
- Shipping Cond.: F3 - FUSO - By Road
- Collective No: (empty)
- Requested ETD FUSO: DD/MM/YYYY
- Name: (empty)
- PO Number: (empty)
- Sold-to Your Reference: (empty)
- Ship-to Your Reference: (empty)

Below the form, it says 'Item(s) : 0'. There is a table with the following columns: Material Number, Quantity, Ship-to PO Number, and PO Item Number. The table is currently empty. At the bottom left, there is a chat icon and a red box with the number '3' next to it.

#### 4. Input fields are rearranged in some cases

**Note: Functionality inside the application remains same**

The screenshot shows the 'Stock Inquiry' application interface. At the top, there is a navigation bar with a back arrow, the FUSO logo, and the text 'Stock Inquiry'. On the right side of the navigation bar, there are search and user icons. Below the navigation bar, the title 'Stock Inquiry' is centered. The main content area is divided into two sections. The top section contains a dropdown menu labeled 'Standard' with a downward arrow. To the right of this dropdown, there is a 'Hide Filter Bar' button and a 'Go' button. Below the dropdown, there are three input fields: '\*Sold To Party:' with the value '0000005758 - Atsugi Parts Center', '\*Ship To Party:' with the value '0000005758 - Atsugi Parts Center', and '\*Material:' which is currently empty. A red box with the number '4' is overlaid on the '\*Material:' input field. Below the input fields, there is a 'Results' section with a downward arrow icon on the right. At the bottom left of the interface, there is a chat icon.
